2010 SAUVIGNON BLANC MUSQUÉ CLONE

A Tradition of Sustainable Winegrowing

For nearly three decades our family has proudly practiced the art of sustainable winegrowing. Unlike other farming practices, sustainable winegrowing is all encompassing in its approach. We are not only concerned with the health of the vineyard but its surrounding natural environment. In 2006 we opened a winery with our families (all nine are involved) to showcase our passion for growing sustainable winegrapes—because great wine starts in the vineyard. Our 2010 Estate Grown Sauvignon Blanc carries on this proud tradition of sustainable winegrowing. **-Enjoy! Randall and Brad Lange (The Twins)**

Growing Season

Vintages are usually generalized as 'great' or 'challenging,' but 2010's fruit quality varied not only between appellations but between neighboring vineyards. When a clear blue sunny day was seen in the Clements region, the heart of the Lodi and Clarksburg Appellations were still under fog. This led to specific lots delivering intense flavors, whereas others were not as memorable. When this occurs, having family estate vineyards spread out between two appellations is beneficial—we have the ability to make certain the best quality winegrapes for each varietal are included in our LangeTwins wines.

Vineyard Notes

The Jahant Vineyard is located in the Lodi Appellation where the cool nights keep the acidity just right for a balanced wine. Each year we have a consistent quality in our "Musqué Clone" and are pleased with the unique fruit flavors that come from the vineyard!

Winemakers Notes

The 2010 is alive and vibrant with a perfect balance between fresh acidity and plush fruit notes. The scents of melon and citrus are center stage and continue to flourish as they reach your palate. They then join sweet tea notes that lead to a delicate, but rich and graceful finish.
