

A Tradition of Sustainable Winegrowing

LANGETWINS
FAMILY WINERY AND VINEYARDS

2010 CHARDONNAY RESERVE

A Tradition of Sustainable Winegrowing

For nearly three decades our family has proudly practiced the art of sustainable winegrowing. Unlike other farming practices, sustainable winegrowing is all encompassing in its approach. We are not only concerned with the health of the vineyard but its surrounding natural environment. In 2006 we opened a winery with our families (all nine are involved) to showcase our passion for growing sustainable winegrapes—because great wine starts in the vineyard. Our 2010 Chardonnay Reserve carries on this proud tradition of sustainable winegrowing. **-Enjoy! Randall and Brad Lange (The Twins)**

Growing Season

Vintages are usually generalized as 'great' or 'challenging,' but 2010's fruit quality varied not only between appellations but between neighboring vineyards. When a clear blue sunny day was seen in the Clements region, the heart of the Lodi and Clarksburg Appellations were still under fog. This led to specific lots delivering intense flavors, whereas others were not as memorable. When this occurs, having family estate vineyards spread out between two appellations is beneficial—we have the ability to make certain the best quality winegrapes for each varietal are included in our LangeTwins wines.

Vineyard Notes

Our Estate Grown Chardonnay Vineyard in the Clarksburg Appellation consistently creates unique tropical fruit flavors. With the cold evenings and breezy afternoons, the conditions are ideal for perfect acid, pH balance, and strong fruit flavors.

Winemakers Notes

With 9 months of predominantly French Oak aging our 2010 Reserve Chardonnay has a lush vanilla tropical fruit aroma. The core tropical flavor of ripe pineapple is joined with light spice and a touch of toasty notes on the palate creating a plush wine with a lasting finish.

Wine Statistics
